

Welcome to Knoxbrooke! We are delighted that you have chosen to use our services.

Please find enclosed a welcome pack that provides you with key information with regards to Knoxbrooke, our services and our commitment to you.

Knoxbrooke was established by Rotary as a not-for-profit in 1967. From humble beginnings, Knoxbrooke has over the past 50 years continued to broaden its services based of feedback from service users like you.

Our sole reason for being, is to serve you.

Knoxbrooke is a NDIS registered provider. We provide great services in the areas of employment, education and support.

You would be interested to know that Knoxbrooke has 7 social enterprises located in Mount Evelyn and Warragul. The social enterprises operate in diverse industries to ensure that a range of employment opportunities are available for people living with a disability seeking employment at an inclusive workplace with appropriate on-site support.

We are also focussed on assisting young people to enter the workforce or obtain volunteer opportunities. This is achieved through a 1-2 year intensive group skills program undertaken with peers in the highly regarded Knoxbrooke Achieve program.

Knoxbrooke also offers the ever-popular day group support available through our Basecamps in Melbourne's outer-east and Mawarra in West Gippsland.

And lastly, Knoxbrooke 365 is a very convenient 1:1 in-home and community support service available to service users any day of the year.
